More flexibility is not possible. The rollable version of the modular system is not only flexible in its choice of space, but can also be upgraded to individual workstations with additional accessories.

Technical data

Brand:	Secabo
Dimensions LxWxH :	92.5 x 65 x 98 cm
Weight:	15 kg
Load limit:	80 kg

Secabo Modular Shelving System As individual as your requirements.

The needs of daily work are as individual as the person doing it. We at Secabo have long recognised this and with the Secabo Modular Shelving System we now offer the optimum solution for the individual construction of your personal working environment.

From shelves and racks for storing rolls of film to tables for transfer presses and cutting plotters - the modular system offers unlimited possibilities! Optionally, a roll holder can also be attached to make working with the cutting plotter even easier. In addition to various sizes, the high-quality modules are available as stand-alone models, rollable or for wall mounting.
